Items from Golf Board:

- Rt. 50 signage status
- Bridge on hole 17 upgrade. Board members would like to see configuration changed similar to old wooden bridge.
- New scoreboard status. Are the pavers from old scoreboard area being reused? What is going in this location?
- RFQ for Billy Bunker system status. (start and complete time frame)
- Rt. 50 fence replacement cost and type. (Time frame)
- What is going to the right of 12<sup>th</sup> green?
- Some yardage signs missing from Tee Boxes
- Yardage to ditch on Tee Box 16 not accurate.
- Water hazard pole on 6 can't be seen from Tee Box. In wrong location.
- Status on course rerated for women.
- Nettie Marie Jones tournament final proceeds. Did they get earmarked for Golf Board scholarship fund?
- Do we keep records on tournaments? Number of players and income.
- Financial discussion for 2016-17 fiscal year. Owen, John and Rick need to review in detail before meeting. Results are disappointing.
